

ATLANTIC  
STRIPE 25

## Stylish & refined 3D stripes

Atlantic Stripe 25 features a pattern of narrow, embossed stripes with a stylish and refined expression and a classic feel.

Atlantic Stripe 25 is an embossed fabric with a classic 25 mm narrow-striped, 3D pattern distinguished by a discreet, all-round elegance and a stylish, refined expression. The fine, narrow stripes are accentuated by the exclusive softness of the fabric's three-layered structure that combines polyester fabric Atlantic with a 6 mm foam core and a jersey backing.

### Refined & classic aesthetics

With its straightforward design and discreet surface texture, knitted upholstery fabric Atlantic forms the perfect base for the fine embossed stripes enhancing the minimalist aesthetics and classic feel.

### Explore the stripes in any direction

Atlantic Stripe 25 offers endless design options and may be turned in any direction. To create a distinct, playful expression combine horizontal, vertical and diagonal stripes, or mix and match the fabric with wide-striped Atlantic Stripe 40 or the graphic grid pattern of Atlantic Square 40.

### A mix of trends and classics

The standard colour palette of Atlantic Stripe 25 encompasses 12 colours spanning graphic dark tones, classic and ever-popular red and blue and a selection of trending colours such as lime green and orange.

### Comfort & durability

Designed with a 6 mm foam core, Atlantic Stripe 25 offers superior comfort, a luxuriously soft feel and an exclusive, voluminous texture. Moreover, the three-layered structure adds durability, stability and strength to the design and enhances the fabric's visual appeal.

### Geometric & organic

With its refined, classic stripes and discreet base fabric, Atlantic Stripe 25 is an all-round design suitable for upholstery of furniture as well as for screens and other vertical surfaces. The narrow-striped pattern performs exceptionally well on smaller designs underlining and enhancing geometric as well as more organic forms.
