

Introducing
SELECT
—
58 colours

Select – one of a kind!

With its sophisticated simplicity, superior durability and excellent stretch, Select is easy to like – and easy to use.

Select is a classic woollen upholstery fabric distinguished by its underplayed, unicoloured elegance and its basic, authentic look that exudes sublime craftsmanship and first-class quality. The fabric's tightly woven relief structure adds depth and textural dimension and brings the solid colours to life in a delicate interplay of light and shadow.

Easy to like – and easy to use

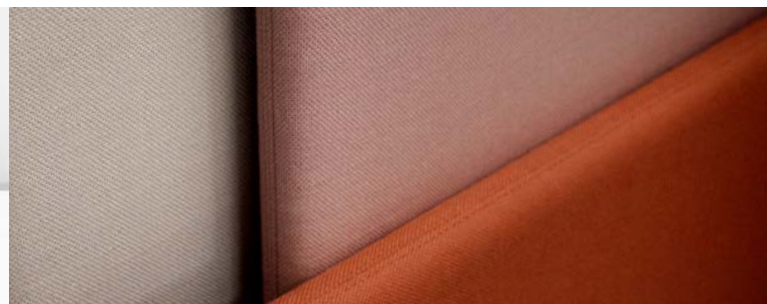

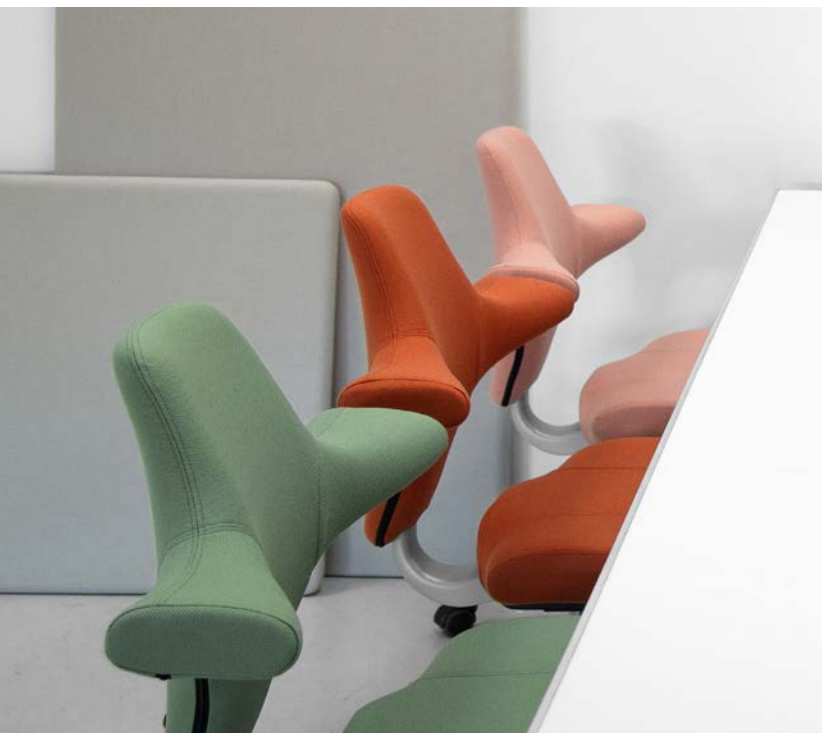

With its sophisticated simplicity, soft, rich texture and unique properties, Select is easy to like – and easy to use. It adds an extra dimension of superior functionality and classic elegance to all kinds of furniture and all types of interiors – from office landscapes to hotel lounges.

New colour trends and all-time classics

The extensive colour palette offers more than 58 colours to choose from including classic, all-time favourites as well as new colour trends. With a contemporary mix of cold and warm colours, eye-catching brights and graphic neutrals, there is a colour to match any piece of furniture and any interior design.

Superior abrasion resistance

With a rating of 200,000 Martindale, Select is extremely durable and highly suitable for heavy use environments. The fabric ages beautifully, has a long life expectancy and becomes almost even more attractive with time. Distinguished by its excellent stretchability, the fabric is easy to use for upholstery and guarantees an efficient production process.
